At Pisgah Bakehouse, everything we serve is made from scratch daily- from our breakfast pastries to our sandwiches and wood fired pizzas. We care about the food we serve you and source as much as possible from local farms and other local suppliers.

We start each day as a bakery, baking off a large assortment of breakfast pastry (scones, bagels, danish, croissant, cookies and more) and organic brick oven breads.

By 11:00 am we start serving lunch which includes salads, wood fired pizzas, and hearty sandwiches on our house made breads. We serve organic coffee and espresso all day long

We hope you enjoy your dining experience as much as we enjoy making your food!
